5. Updates: There are 110 students enrolled for the coming school year. The middle school is pretty full. Ms. Aurelio is still hiring para-professionals. Einstein is once again eligible for Title 1 money. We have not been for several years, but the eligibility has changed. It will amount to \$36K and requires a great deal of paperwork-mostly turning in reading and math data as well as parent engagement activities 3x per year. The money will be used to pay for staff. EMS had a summer school in June using Federal Covid relief funds.
